16th March 2023

Dear Dr Fiske

Merseyside Jewish Community Care run a social group for people in the Jewish community with mental health or learning disabilities. There is no specific age limit for this group.

'The Geshher Group' (Geshher being the hebrew word for 'bridge') meets on a Thursday at 12.30 pm for lunch followed by an activity, for which there is a nominal charge of £2.00 per person. A copy of the programme is enclosed.

The group is facilitated by a member of our Care Team and a community volunteer.

If you have any patients you feel may benefit from this service, we would be pleased to consider your referral.

Please contact me on 0151 733 2292 or email info@mjccshifrin.co.uk if you would like to discuss this further.

Yours sincerely

Sandra Ellenbogen
Community Care Manager
